8th April 2016

Dear Parent / Carers

SHINE – York University Visit – **15th June 2016**

Our school and the children of Year 6 have been selected to be part of the Shine Programme at York University on 15th June 2016. The programme aims to inspire, motivate and encourage to achieve academic success and raise their aspirations towards higher education. As part of the programme your son/daughter will get to visit the university campus, experience university life and meet with current university students.

This will be a Full Day visit and will be entirely funded by The University of York. Lunch will be provided for the children by the University in one of their catering outlets – they will be offered a hot meal and a drink.

As the children will be representing our school - school uniform must be worn on the day.

Unfortunately this is only available for 15 pupils so if you would like your child to attend the day, please complete the slip below and return it to school asap. We will then place all the slips in a box and pick them at random to establish who will attend the day. We will then let you know if your child had been successful or not.

Yours sincerely

K. Wakefield
