

27th November 2015

Dear Parents / Carers

Following the recent residential to Robin Wood, we would like to compliment the children on their excellent behaviour. The staff at Robin Wood centre were very complimentary on their enthusiasm, team work and how well they all worked together. We were very proud of them and you should be too.

We would like to offer the chance for parents to have the opportunity to have the photos that were taken. These will be sent home on a disc at the cost of £2.00. However, as you may understand it is very difficult to photos that do not contain other children so we need permission from you that they may be sent home. If you do not wish your child to be sent home on the disc, then your child will be removed from the photos sent home to other children.

We also know that you will be very excited and want to share the photos with your friends and family but can we please request that the photos of your child only are shared on social media sites and not other children?

Please complete the slip below and send in any money.

Helen Kilner

Class 6 teacher

ROBINWOOD PHOTOS

Name of child _____

I do/do not give permission for my child to be included on photographs

I would like/I would not like a copy of photographs from the Robin Wood residential
