

English

Our Power of reading book will be:

The Enormous Crocodile by Roald Dahl

We will also be reading The Three Little Pigs

We will be learning to:

- Build fluency in reading
- Making inferences on the basis of what is being said and done
- Using our knowledge of phonics and stories to create our own stories and recounts.

Maths

As mathematicians we will:

- Count, read and write numbers to 100 in numerals; count in multiples of twos, fives and tens
- Add and subtract one-digit and two-digit numbers to 20, including zero
- describe position, direction and movement, including whole, half, quarter and three-quarter turns

Science

As scientists we will:

- Distinguish between an object and the material from which it is made Distinguish between an object and the material from which it is made
- Identify and name a variety of everyday materials, including wood, plastic, glass, metal, water, and rock
- Describe the simple physical properties of a variety of everyday materials
- Compare and group together a variety of everyday materials on the basis of their simple physical properties

Geography

As geographers we will:

- Use simple fieldwork and observational skills to study the geography of their school and its grounds and the key human and physical features of its surrounding environment.

History

As historians we will:

- Investigate changes within living memory - revealing aspects of change in national life

Design

As designers we will:

- Generate, develop, model and communicate their ideas through talking, drawing, templates, mock-ups and, where appropriate, information and communication technology
- Select from and use a wide range of materials and components, including construction materials, textiles and ingredients, according to their characteristics
- Build structures, exploring how they can be made stronger, stiffer and more stable

Art

As artists we will:

- To develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space
- To use a range of materials creatively to design and make products

Computing

We will be learning to:

- Understand what algorithms are; how they are implemented as programs on digital devices; and that programs execute by following precise and unambiguous instructions
- Create and debug simple programs
- Use technology safely and respectfully, keeping personal information private; identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies.

Physical Education

We will learn to:

- Master basic movements including running, jumping, throwing and catching, as well as developing balance, agility and co-ordination, and begin to apply these in a range of activities

PSHE/Citizenship

We're all stars

- Community,
- Rights & responsibilities,
- Getting to know each other,
- Working together
