Dear Parent/Carer,

We are looking to take a party of our current Year 5 pupils on a residential visit to Robinwood in either Todmorden or Cumbria, dependant on the number of children wanting to participate.

We have yet to book a date for the visit but the trip will take place during the next academic year, 2015-2016, when your child will be in Year 6.

It is hoped that the group will also include children from Kinsley Primary and West End Academy. As the children will be moving on to their secondary school together, the visit will provide them with the opportunity to bond with each other and make new friends in preparation for the move to their new school.

The Robinwood Centre provides children with the opportunity to take part in range of sporting and recreational activities, such as canoeing, archery, climbing and raft building!

In addition, your child will benefit from having the opportunity to develop some independence in different surroundings. This will help to give them the confidence to successfully manage their move to secondary school, with a wide group of friends.

Dependant on the date of the visit, we expect the residential to cost between £160 - £200. This price has been subsidised by the school / academy, so you will only have to pay for the cost of the accommodation and activities. You will be able to pay in either weekly or monthly instalments.

We would be happy to discuss payment arrangements with individual parents to enable you to budget for your child to go on the residential.

Yours sincerely,

Mr Hedd Williams  
Headteacher
